## Astrology Gift Certificate

### Here is what this astrology reading will involve:

Based on your time and place of birth, we will look at where your soul has come from in past lives and why your soul chose this present lifetime to accomplish it's next goals for spiritual growth and evolution. We will examine how the particular traits, strengths, weaknesses and conflicts of your ego's personality are configured to help your soul toward creating wholeness. And we will seek to understand how your past (the good, the bad, and the ugly) fits in to that plan. Readings are kept strictly confidential.

Birth astrology readings are approximately 90 minutes and done with your live participation, by phone or by Skype (or in person, if local).

To redeem your gift, email or call me, Barry Kerr, at the address or phone number below.

After any preliminary questions or concerns you may have, you and I will determine a date and time to connect by phone or by Skype, or in person, if we are local to each other.

Your reading will last about 90 minutes. It's best to be in a quiet, comfortable space where you can relax and focus inward, without distraction.

In advance of your reading, I will need the following:

**Birth date**

**Birth time (Exact, if possible. If not, don't worry. There is another way)**

**Birth location**

You can also let me know if there is anything in particular that is on your mind and heart that you want to explore in the session.

Before the session, I will email you a copy of your birth chart so you can print it out and have it with you during the reading. I like my clients to see what I am looking at.

I will record as an Mp3 and either post it at a site where you can download it onto your own computer, or I can copy it to a CD and send it by snail mail.

I will also send you some other printouts related to your reading.

I look forward to meeting with you and exploring your wonderful astrological dynamics. This work is my passion and I feel honored to be trusted by your gifter and you.

Blessings,  
Barry
